Bicycle tour friendly accommodation

Touring Sun Moon Lake

Taiwan Tourist Shuttle Sun Moon Lake Route & Checheng Route

Promotion unit : Sun Moon Lake National Scenic Area Administration
Co-sponsor : NANTOU BUS TRANSPORTATION CO.,LTD., Cingjing Travel Agency

Take the Taiwan Tourist Shuttle to travel around Sun Moon Lake in all four seasons

Spring

Cherry Blossom Festival

The cherry blossoms at Sun Moon Lake are in full bloom from February to March every year. The cherry blossom viewing hot spots around the area include Formosan Aboriginal Culture Village, National Chi Nan University, Xiangcha Lane of Yuchi Township, Qinglong Mountain Trail, Shihfo Park, Youshui Lane, Ita Thao Lakeside Trail, etc. The emerald green mountains and forests decorated with various kinds of pinks are amazing.

Summer

Firefly Watching Season

Sun Moon Lake is full of ecological resources. From April to May every year, fireflies can be seen at seven firefly viewing sites, including Taomi, Lianhua Pond, Dalin, Shuishhe, Tou She, Tannan and Shuanglong, and the local association has also launched a number of in-depth nature and humanities itineraries that are suitable for daytime to nighttime.

Autumn

International Swimming Carnival

The Cross-lake Swimming Carnival in September is one of the annual events in Sun Moon Lake, attracting swimmers from all over the world. The swim covers a distance of about 3,000 meters, starting from Chaowu Pier to Ita Thao Pier, and is a must-register event for those who challenge themselves.

Winter

Appreciate Bald Cypress

The Bald Cypress trees are planted along the water bike path in Beidan Bay of Sun Moon Lake and the Waterfront Wedding Plaza of Xiangshan, which is a must-stop place to enjoy the scenery in winter. The Plaza has heart-shaped flowers and plants to accompany it, and is a hot spot for many couples to take their wedding photos.

Come! Bikeday

With the clear and cool weather in autumn, the Sun Moon Lake National Scenic Area Administration has launched a series of bicycle activities every year, such as the self-loop Lake challenge, children's scooters, and guided bicycle rides, encouraging people to take a leisurely and slow tour of Sun Moon Lake.

New Year's Eve Party

On the last day of the year, Sun Moon Lake New Year's Eve Gala is held at either Shuishhe or Ita Thao Pier, featuring spectacular stage performances and simultaneous fireworks on both sides of the Lake to start the year with a bang!

Music and Fireworks Festival

The annual October-November Cycling, Music & Fireworks Concerts are "arts as the core, fireworks as a supplement" and feature outdoor performances by high-quality domestic music and art groups, as well as fireworks, allowing the public to experience the charms of Sun Moon Lake and showcase Taiwan's unique arts and cultural activities.

Welcome the Dawn

Located in Yuchi Township, Mt. Jinlong is most famous for its sea of clouds, glazed light, and sunrise, one of the best places to welcome the dawn at low altitude in central Taiwan. Chaowu Pier is also a famous spot for sunrise viewing, so it is nice to welcome the first light of the New Year at Sun Moon Lake, whether you are on the mountain or at the waterfront.

E-PASS(QR Code)

Special Offers for Taiwan Tourist Shuttle Sun Moon Lake Route & Checheng Route with a variety of attractions along the routes and experience vouchers, please visit "Nantou Holiday" to purchase and find the most suitable travel package for yourself.

Scan the Nantou Holiday QR Code for network purchases

Nantou Holiday

How To Purchase And Use Travelling with QR Code (Online Purchase)

- Purchase package tickets on the "Nantou Holiday" website.
- Pay via credit card online
- Once the payment is completed, the system will send QR codes.
- Show the QR code to redeem products (in stores).

Notes

- Online purchase can only be done via credit card. Please provide valid e-mail address to receive the QR code of products once the payment is done. (You can print it down or show it with the mobile.)
- After making purchase online, if you do not receive QR codes, you can download the App "Nantou Holiday" by mobile and view your QR codes in the App.
- One QR code refers to one product, so if you purchase a package containing three products, then you will have three QR codes.
